

## **QASSP Position Statement: School Leader Wellbeing**

*Supporting State School Leaders Since 1966*  
Queensland Association of State School Principals

### **QASSP Position:**

***Department of Education ensures continuous, prioritised and resourced support for all school leaders' growth.***

### **Rationale**

- Providing assistance to principals in carrying out their responsibilities.
- Assisting principals in exemplifying positive and healthy leadership during their duties and throughout the workweek.
- Inspiring others to join the profession

### **Details**

- Advocating for the Department of Education to allocate resources towards the targeted and meaningful development of school principals across all state schools.
- Utilising leadership forums to harness the collective expertise and experience of principals to address practical challenges.
- Recommending that principals be provided with twice yearly professional supervision with a professional psychologist at no cost to the school.

### **Opportunities for QASSP to achieve the desired position**

- Advocating through QASSP advocacy subcommittees, Deputy Director-General, Director-General, Ministerial meetings
- Working with QASSP partners and organisations, for example the Australian Primary Principals Association, the Australian Government Primary Principals Association, the Queensland Teachers' Union, the Queensland Secondary Principals Association.
